

Year 1 Geography Knowledge Organiser - Autumn 2

This term we are looking at our local area and asking the question 'What is like where we live?'.

Key Vocabulary	
compass	A special tool that helps you know which direction you are facing.
direction	Where someone or something is pointing or moving.
fieldwork	Using maps to go out and about to get a practical understanding of something.

The Compass
A compass has four main directions , which are north, east, south and west. Part of the compass (the needle) will always point north. You then have to work out which direction you are facing depending on where north is.

Safely Exploring Your Local Area through Fieldwork	
Be safe! Listen to instructions and follow what an adult is asking you to do.	Be aware of the roads. Keep to pavements at all times. Only cross roads when you are told to do so by an adult and stay with your partner.
Be polite. Move to one side of the pavement if other people are walking. Remember that you are setting an example to others when you are out and about.	Be observant. Follow any signposts that may be helpful on the walk.
Use your map to follow the route. See if you can spot any familiar symbols !	Look, listen and smell. Use your senses to observe the area.
