

## Friday 15th November Anti-Bullying Week

We have already had a busy start to our half term, with anti-bullying week and children in need. Lots more to come this half term so please continue to refer to the date's column. We have also attached a Christmas newsletter with all the dates and activities we have got planned .

### School Photos

You should have all received your child's individual and sibling photographs. I hope there were lots of smiles and you have ordered them direct, ready for your walls and frames. If you have not received your proof please contact tempest photography.

### My Family Coach

We know it's hard to understand children's behaviour and find the best way to support them as they grow up. If you need support, are looking for advice, or have a parenting question, you'll find everything you need to know at <https://www.myfamilycoach.com>

My family coach is a free website produced by experts in child behaviour, parenting and education. They have over 20 years' experience working with schools to understand children's behaviour.

The website is full of resources on popular parenting topics, such as screen time, bullying and mental wellbeing. They have a wide range of blogposts, podcast episodes, and videos available, along with bookable 1:1 coaching courses and classes.

During Anti-Bullying Week we have continue to promote kindness, respect, and inclusion. Wearing odd socks was our fun way to celebrate individuality and raise awareness. By embracing our differences, we send a powerful message that diversity makes us stronger, and bullying has no place in our school.

### School of the week

Our year 6 leaders also spoke to the radio as part of Silks school of the week about anti bullying. Here is the link to our podcast if you missed us on the radio.

## Year 2 Trip

Year 2 had a fantastic time on their trip to Delamere Forest! They completed the Gruffalo trail and had lots of fun finding the different characters! Whilst completing the trail, they found little areas to play in where there were dens, trees to climb and rope swings. They also completed a workshop, looking at how trees grow, parts of a tree and materials that you would find on the forest floor. A great day was had by all!

## Building + Parking

A reminder to please park and drive considerately around the school. Think about the safety of all. Can I also remind all parents that they must only enter the school building via the front reception.

## Children in Need

Thank you for all your children in Need donations we raised a massive £322.50 The children all looked very comfy and warm in their PJs for the day.

## Important Notice: New Roof Installation on Key Stage 2 Building

Thank you all for your patience with the new roof installation. I am very pleased to inform you that the works are finished, and the new roof has been signed off 6 weeks ahead of schedule. We are now able to return to entering the building via classroom doors. Home times will remain the same via the hall as this ensures that children can be passed over to parents safely.
