

## FS2 Mathematics—Autumn 1 and 2

### Place Value— Numbers to 5

- ♦ Sorting numbers
- ♦ Matching pictures to numbers
- ♦ Finding 1 more, 1 less
- ♦ Composition of numbers to 5

### Home learning ideas

- Go on a number hunt! Can you see numbers on road signs, car number plates or even on a clock. Can you have a go at writing where you saw them.

### Match, sort and compare

- Describe size and shapes of different objects
- Compare taller and shorter
- Working with capacity
- Collecting natural material and sorting

### Patterns

- ♦ Making patterns using body and movement
- ♦ Spotting mistakes in repeated pattern

### Home learning ideas

- Provide some fruit in small pieces and allow the children to design their own fruit kebab.
- Get the children to make their own song using instruments and doing repeated patterns.
- AAB pattern song— Musical Math (Youtube)

### Shapes— circles and triangles

- Sorting shapes
- Making shape pictures
- Circles and triangles with real life objects
